

Dr Grant Scott

MbCHB, FRACP

Neurologist/Neurophysiologist

Subspecialties

Neurophysiology,
with an interest in headache
patients.

Welcome. I am happy to see general neurology
patients both electively or urgently.

My subspecialty interest, which I developed
during my fellowship year with A/Prof Richard
MacDonell, is peripheral neurophysiology.

To all General Practitioners and Specialist Consultants

Dear Colleague,

I am writing to inform you that I will be commencing practice at the Epping Medical & Specialist Centre rooms from 14th October, 2009. I am a fully qualified General Neurologist/Neurophysiologist and have worked in Melbourne as a consultant since 2006. Currently, I consult at Western Hospital and provide Neurophysiology services to the Northern Hospital, Diamond Valley Specialist Centre and Box Hill Public Hospital. I also see private patients at the Diamond Valley Specialist Centre.

My main Neurological interests apart from Neurophysiology include headache and Neuroimmunology. If requested, I can consult and perform electrodiagnostic testing on the same working day. I can be reached at the contact numbers below and look forward to being of service to you in the near future.

Kind regards,

Dr Grant Scott
